

BIOPIONEER PVT. LTD.

A Protease Inhibitor Company

BioPioneer[®]
Empowered by Innovation

PRODUCT CATALOGUE

About Us

BioPioneer Pvt. Ltd., founded in 2020, is a biotechnology company supported by BIRAC, Startup Odisha, and Startup India, and operates under the incubation of KIIT Technology Business Incubator. The company is dedicated to advancing scientific innovation by providing cutting-edge solutions for high-quality protein research. With a strong focus on research and development, BioPioneer strives to create novel, indigenous products that cater to global markets. Through its commitment to excellence and collaboration, the company aims to enhance the landscape of biotechnology both within India and internationally.

Presenting

NexGen HMTM Protease Inhibitor

Thermally Stable

Broad Spectrum

Water Soluble

Negligible toxicity

No interference in
fluorescence-based
quantification of
protein

Low competitive
pricing (<5-10 times)

EDTA Free

pH Stability

Zero cost cold
condition transport

Compatible with
Buffer & Surfactant

Concentration: 50X
Volume: 15 mL
Catalogue no: BPBOI001

Customer Feedback

"The product is equally good in inhibiting protein degradation as those procured from other company, the gel image we got indicate that protein remain intact during protein isolation".

Dr. Dharmaraja Allimuthu
Assistance professor, IIT Kanpur

"We are highly satisfied with NexGen HM Protease Inhibitor provided by Biopioneer Pvt.Ltd. Major advantages of this PI is wide range pH and thermal stability. Biopioneer PI is equally good as compared to Roche PI and the same can be observed through SDS PAGE analysis. Western blot analysis has been carried out in 3 different antibodies, results are satisfactory, it is comparable with marketed Pic"

Dr. Soma Chattopadhyay
Scientist-F, Institute of Life Sciences, Bhubaneswar

The NexGen HM Protease Inhibitor was efficient at Preventing protein degradation, and Inhibitory activity was better than available existing inhibitors. No interfere during protein estimation

Dr. Hem Chandra Jha
IIT Indore

"The Inhibitor was efficient at Preventing protein degradation, and Inhibitory activity was better than commercially available inhibitors. It did not interfere during protein estimation."

Dr. Amitava Das
Senior Principal Scientist, CSIR-Indian Institute of Chemical Technology, Hyderabad

Certificate of Registration

This is to certify that

BIOPIIONEER PVT LTD
KIIT-TBL CAMPUS-11, KIIT BHUBANESWAR-751024, INDIA

has been independently assessed by QRO
and is compliant with the requirement of:

ISO 9001:2015
Quality Management System

For the following scope of activities:

MANUFACTURE OF VARIOUS CHEMICALS NOVEL PROTEASE INHIBITORS, OTHER ORGANIC CHEMICALS, INORGANIC PRODUCTS, NANOMATERIALS, LABORATORY REAGENTS, CHEMICAL SUBSTANCES USED IN THE MANUFACTURING OF PESTICIDES, AND OTHER CHEMICAL PRODUCTS FOR COSMETIC, CONSULTING, AND SERVICES.

Date of Certification: 27th September 2024
1st Surveillance Audit Due: 26th September 2025
2nd Surveillance Audit Due: 26th September 2026
Certificate Expiry: 26th September 2027

Certificate Number: 305024092708Q

Head of Certification

Validity of this certificate is subject to annual surveillance audits to be done successfully on or before 360 days from date of the audit. (In case surveillance audit is not allowed to be conducted this certificate shall be suspended / withdrawn).
The Validity of this certificate can be verified at www.qpro.org.
